FAQ's

Q: Will all current bookings be honored?

A: Yes. All current GOGO FIT and Group bookings will be serviced and supported throughout the lifecycle of the booking.

Q: How will FIT bookings with no deposit be handled?

A: GOGO now requires a deposit of \$100 per adult on all confirmed bookings. This deposit must be applied to all current bookings where no payments have been received no later than March 15, 2024. Failure to make a deposit by March 15, 2024, will result in the cancellation of the booking.

Q: Is the deposit refundable?

A: GOGO does not charge a cancellation fee. Providing there are no supplier penalties at the time of cancellation that would require use of the funds, the deposit is fully refundable.

Q: My booking has money on it, but it's less than \$100 per adult or has payment for air tickets only. Do I need to add additional monies?

A: No. As long as there are funds on the booking, you don't need to add any additional payments. The \$100 per adult deposit is required on any booking where no monies have been collected.
